

CHILD WORKS®

A Superior Company

Superior Recreational Products, Inc is a total solutions manufacturing and supplier to many industries, with its roots deep in the park & playground markets including churches, schools, & early childhood development centers. Over the years, the company has expanded to new markets including resorts, hotels, airports, & restaurants. SRP has developed into the only company in its field to offer—direct to all of its customers—the ability to purchase outdoor playgrounds, shelters, shade, indoor playgrounds, water slides, & site amenities, thus giving SRP the ability to supply products for total solutions for its customers.

Along the way, SRP has acquired or developed many brands & products including Child Works, Playland, Grounds for Play, Litchfield Landscape Elements, WebCoat, Wow Playgrounds, Superior Shade, PlaySystems, Skyspan & others.

Single Hood 07647—Essential component; used for single bedway, wave, and 90° slides

Wide slide Foot 0650020—Use on double wide slide or 2 DWFS. Available only in green

Wide Hood 07648—Used for wide, double bedway, and triple rail slides

Slide mounting Kit 0772200—Includes 3/8" bolt, washer, and blind anchor

Standard Slide Foot 06500XX—For all single bedways, double wall, wave, 90°, sectional, double bedway, and Alpine Thunder slides. Available only in green

Z-Bracket 0020600—use this galvanized steel bracket on single bedway and wave slides

L-Bracket 0020500—Use this galvanized steel bracket on single bedway and wave slides

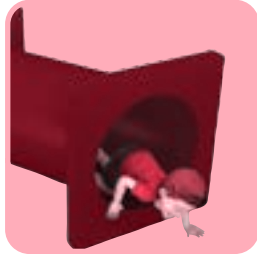

Tubes and Cubes

- 9..... Elbows, cube, connectors and sphere
- 10..... Crawl tubes, tube slides, and hardware

Sphere 00121—Fits 30" diameter tubes. Allows you to create your own play event. Use with domes for unique effect

Corner Wedge

00160 **1 Flange**
01560 **2 Flange**

T-Tube 00116—Fits 30" diameter tubes. Only available in 30" diameter

45° Elbow—Bell on one end

00124 **24" diameter**
00127 **30" diameter**

Slide Exit 00504—30" diameter only. Has bell for easy attachment

90° On-Grid Elbow 01128—30" diameter. Fits on-grid flat panel for when it's necessary to keep a 48" grid

30° Elbow—Bell on one end

00123 **24" diameter**
00126 **30" diameter**

90° Elbow—Bell on one end

00125 **24" diameter**
00128 **30" diameter**

Junction Cube—For crawl tunnels, under decks, or freestanding units. 4 bells with one top opening

00117 **24" dia. X 31" x 32"**
00118 **30" dia. X 40" x 40"**

01104 **24" dia. X 5' long**
00111 **24" dia. X 7' long**
00112 **24" dia. X 10' long**
00113 **24" dia. X 14' long**

Split Tube—Can work as slide or roof. Must purchase both halves

Full Tubes

Retro Flange 00132—Fits 30" tubes. Use to attach tubes to junction cubes or corner wedges

Tubes and Cubes

Tube Slides

—Choose from 24" or 30" diameter in these variations: straight, Zig-Zag right/left, 90° right/left, and spiral

30" Diameter Straight Tube—Available in several different deck heights. Item shown made for 60" deck height

24" Diameter Straight Tube—Available in several different deck heights

Zig-Zag Tube—Available at 24" or 30" diameters in these variations:

0017000 **24" Panel - 9 per set**

0017100 **30" Panel - 11 per set**

Panel Joint Kit—Includes 1/4" wafer bolts and 1/4" blind anchors

Coupling #70 F070-8—The easy way to connect a saddle to a 1.9" OD pipe for vertical supports

Crawl Tunnels

—Available at 24" or 30" diameters in these variations:

Curved—30°, 45°, 60°, and 90°

Offset—By 2' from deck to deck. The horizontal version of the inclined

Inclined—By 1' or 2' from deck to deck or ground to deck

Straight—24", 36", 48", 60", 72", 84", 96"

Wavy—Fun way to bridge gaps between decks!

Tube Joint Set—Includes 5/16" BHCS, 5/16" domed lock washer and 5/16" insert

0017200 **24" Panel - 5 per set**

0017300 **30" Panel - 7 per set**

Standard Tube Saddles—Essential support for every tube slide

0031701 **24" Saddle**

0030901 **30" Saddle**

0017600 **24" Saddle mounting hardware**

0017700 **30" Saddle mounting hardware**

Barriers and Panels

- 13..... Entry and bubble panels, and barriers
- 14..... Polysheet activity panels, pipe walls and roto-molded vortex
- 15..... Spinning block and interactive activity panels

****Flat Panel**—Attaches tube slides and crawl tunnels

00129 **24" d x 31" w x 39" h**
 00130 **30" d x 43" w x 41" h**

****Bubble Panel**—10" rise clear bubble dome

00147 **24" d x 31" w x 39" h**
 00148 **30" d x 43" w x 41" h**

***Starburst** 70005010

****Flat Panel On-Grid** 00030—can be used receive male tube, bell or flange and keep on a 48" grid. 30" d x 43" w x 41" h

***Bubble** 70005002—Clear poly-carbonate bubble. Enclose decks, but keep children in sight

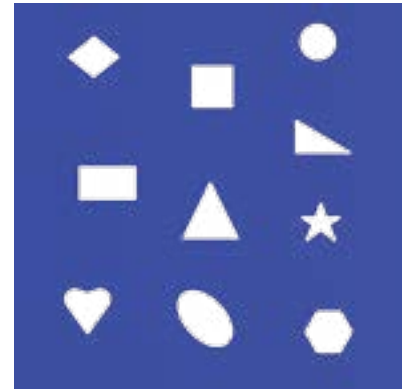

***Alpha** 70005001

****Tube Panel** 00131—**heavy weight** double-wall with raised flange. 30" d x 43" w x 41" h

***Slotted** 70005008

***Geo** 70005006

Accessories

D-Handle A-18—formed from 1 3/8" tubing with welded tab brackets

End Frame Fitting FF-01—Heavy duty two legged end frame fitting with 2 3/8" legs and 2 3/8" top rail. These are for schedule forty 2" pipe. Available as uncoated only

Middle Frame Fitting FF-02—Heavy duty two legged middle frame fitting with 2 3/8" legs. These are for schedule forty 2" pipe. Available as uncoated only

Wear Mat WM-05—Minimizes erosion in high traffic areas of the playground. Extra protection for shock absorption on top of your existing mulch. Size 40" x 40" x 1 1/2" beveled edges

Poly Sheet—High density polyethylene with UV stabilizers. Available in red, blue, yellow, green and tan

- PS-25 **4' x 8' .25" thick**
- PS-40 **4' x 8' .50" thick**
- PS-75 **4' x 8' .75" thick**

Wooden Post Cap—Molded nylon post cap can be quickly screwed securely in place

- PC-66 **5 1/2" x 5 1/2"**
- PCP-66 **6" x 6"**

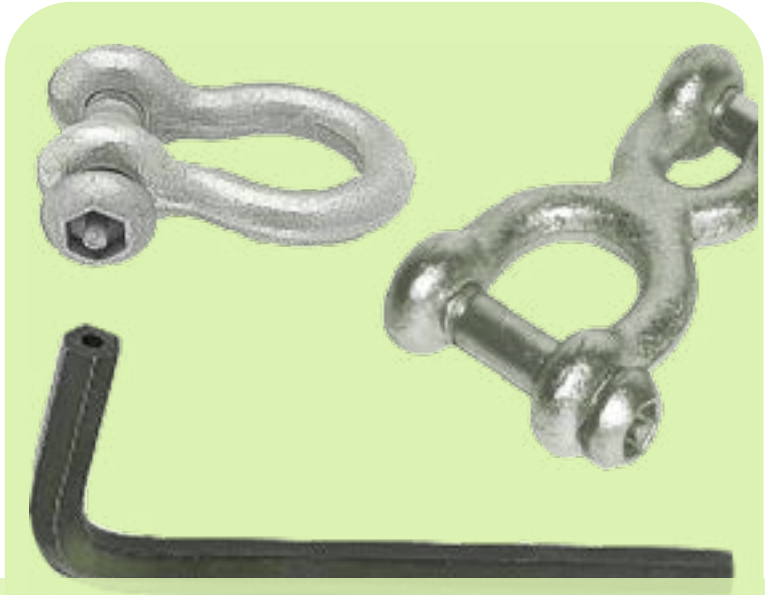

Plastic Steering Wheel A-30—13" diameter roto-molded and sealed. Available in red, blue, yellow and green

Solid Offset Steering Wheel A-40—12 3/8" diameter cast aluminum steering wheel. Offset with powder-coated finish. Includes bushing. Available in red, blue, yellow and green

Hardware

29..... Chain and various hardware
 30..... Swing hangers, swivels and other hardware

S-hook Tool A-04— Powder-coated finish. One hand grip.

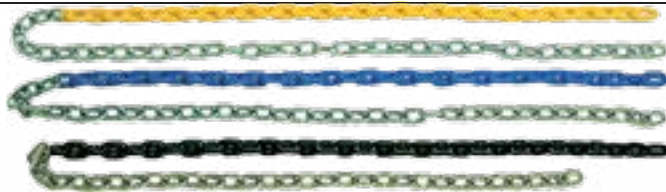

Soft Grip Chain—Pinch-free comfort. Zinc-plated 4/0 chain; available in red, blue, yellow and green

H-35	3' 6" long	Trapeze
H-37	50.25" long	Glider
H-60	5' 6" long	Swings

Full length plastisol coated chain—Plastisol coated end-to-end. 4/0 chain, includes 2 S-hooks. Available only in yellow

H-45	68" long
H-47	92" long

Plastisol Coated Chain—Colorful plastisol coated for 30." Soft grip and reduced pinching. Zinc plated 3/16" links. H-20 and H-55 available in blue, yellow and green (photo may appear black, but note that it is indeed a dark green).

H-20	3' 6" long	Trapeze
H-55	5' 6" long	Swings
H-85	8' 6" long	Yellow only

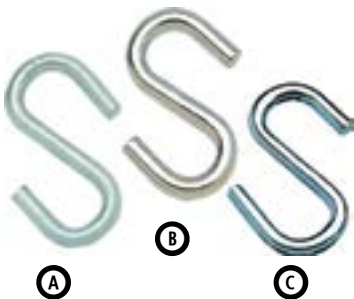

Chain—Hot dipped galvanized chain, sold per inch

H-40	4/0 Chain	3/16" links
H-50	5/0 Chain	¼" Links

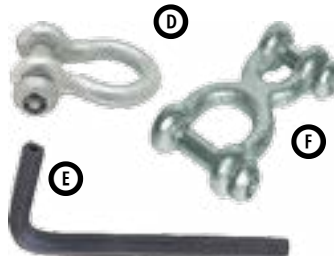

Pipe collar A-08—Cast aluminum. Includes stainless steel set screw. 1-3/8" Diameter center hole. 3-¼" Length

S-hooks—Commercial grade. 3/8" Diameter

A	H-14	Galvanized large loop
B	H-04	Zinc plated
C	H-24	Zinc plated large loop

Clevis Connectors—Alternative to S-hooks. Galvanized. Tamper-resistant. Requires SH-41 key

D	SH-40	Single Clevis
E	SH-41	Clevis Key
F	SH-42	Double Clevis

Hardware

Tire Eye Bolts SH-08—Make any tire into a swing with these tire eye bolts. Set of three includes washers and nylon insert lock nuts. Galvanized for durability

Extra Heavy Duty Tire Swivels—Features rubber boot over universal joint, grease fitting for easy maintenance and three point mounting system to reduce pinches and tangles. Top plate included with each design

- A SH-01 **Flat Plate red only**
- B SH-52 **2 3/8" Top Bar black only**
- B SH-50 **3 1/2" Top Bar black only**
- B SH-51 **5" Top bar black only**

Ductile Iron Swing Hangers—High quality galvanized ductile iron swing hangers with steel pivot bolt that suspends a tough bronze bushing

- C SH-09 **2 3/8" Top Bar**
- D SH-10 **3 1/2" Top Bar**
- E SH-23 **2 3/8" Top Bar with Clevis**
- F SH-24 **3 1/2" Top Bar with Clevis**

Replacement Rubber Boot RB-01—Replace worn or cracked boots on existing swivels to keep them in good working condition. Fits SH-01, SH-50, SH-51, SH-52 and SH-29 tire swivels

Ductile Iron Swing Hanger—Galvanized ductile iron swing hanger with steel pivot and bronze brushing

- G SH-05 **Ductile Iron Swing Hanger**
- H SH-04 **Ductile Iron Swing Hanger**

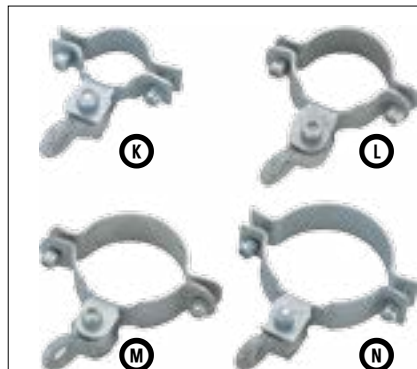

Replacement Pendulums—Include bronze bushings and fit both stamped steel and ductile iron hangers

- I RP-01 **Replacement Pendulum**
- J RP-02 **Clevis Pendulum**

Heavy Duty Tire Swivel SH-29—Features rubber boot over universal joint, grease fitting for easy maintenance and three point mounting system to help reduce pinches and tangles. Available only in brown

Stamped Steel Swing Hangers—High quality galvanized stamped steel with steel pivot bolt that suspends tough bronze bushing

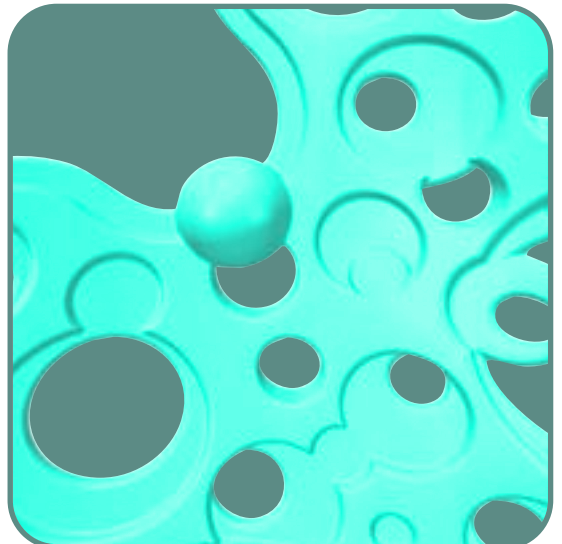

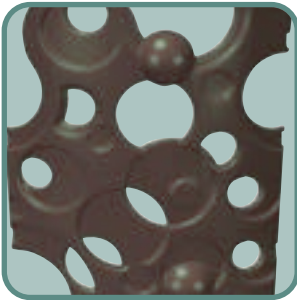

- K SH-35 **2 3/8" Top Bar**
- L SH-36 **3 1/2" Top Bar**
- M SH-37 **4 1/2" Top Bar**

Climbers

33 Plastic climbers
 34-35 Metal climbers

Climbers

Composite Sand Hand Holders RHH—Set of 10. Available in red, blue, yellow and green

Climbing Rock Holds CRH—Set of 4. Tough molded polyethylene. Approximately 5.5" x 4" available in blue and green

Small Climbing Rock Holds SHH—Tough polyethylene molded rock holds. Set of 4. Approximately 4" x 2.5" available in red, blue, yellow and green

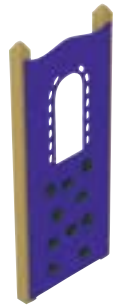

Bedrock 07535—Mounts with wide slide foot. Fits 36" - 48" deck heights. Roto-molded plastic

Chain Climber 07520—Fits 48" or 60" deck height

Fredrock Climber 50607017—Roto-molded plastic. Rotate climber 180°. fits 48" or 60" deck height

Rock Wall TCW0439—.75" thick polysheet. Fits 60" deck heights only

Sunshine Mountain 00186

Bubble Wall Panel Large 07667—Brackets available for attaching to 6" x 6" square posts. Bracket set: 0767900

Bubble Wall Panel Small 07668—Brackets available for attaching to 6" x 6" square posts. Bracket set: 0767800

Tire TCW07066—All steel construction with powder-coated finish and roto-molded plastic tires. Fits 60" deck heights only

Vertical Panel Ladder

- *TCW04380 **36" deck**
- *TCW04381 **48" deck**
- *TCW04349 **124" deck**

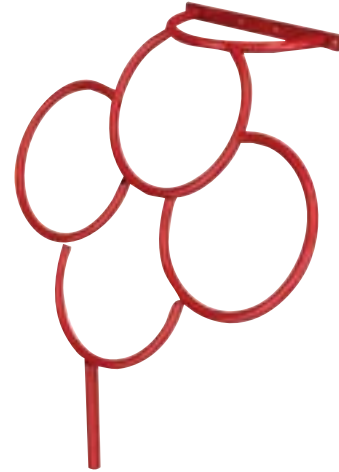

Climbers

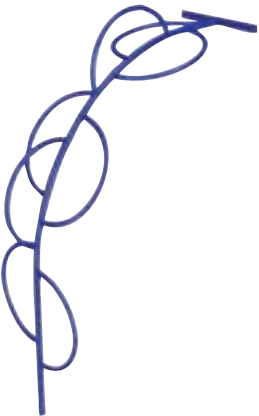

Snake Climber 70007011—Fits 48" - 60" deck heights

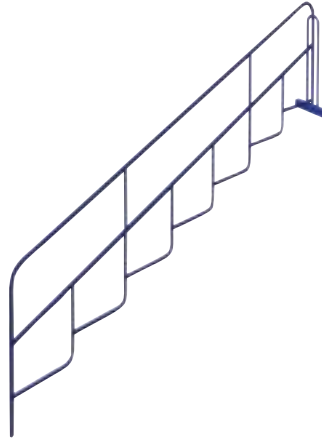

Loop TCW06088—Fits 24" - 44" deck heights

Ring TCW06091—Fits 36" deck height only

Half Moon TCW06090—Fits 24" - 72" deck heights

Mountain 70007009—8' tall fits 60" - 72" deck heights only

Cargo Net 70007003—Sturdy version of the rope climb. Uni-welded chain with matte brown PVC finish. Includes clevis fasteners and powder-coated mounting bracket. Fits 24" - 60" deck heights

Zipper TCW07065—Fits 72" deck heights only

Sliding Pole 70007010—Fits 24" - 72" deck heights

Deep Rung Arch 70007007—Fits 24" - 72" deck heights

Note: All items on this page are all steel construction with powder-coated finish, **except Cargo Net, which has only powder-coated mounting bracket.**

Vertical Rung

- 70014024 **24" Deck**
- 70014036 **36" Deck**
- 70014048 **48" Deck**
- 70014060 **60" Deck**
- 70014072 **72" Deck**

Coil 70007006—Fits 24" - 72" deck heights

Clover 70007005—Fits 24" - 72" deck heights

Tree Climber 70007012—Fits 24" - 72" deck heights

All items on this page are all steel construction with powder-coated finish.

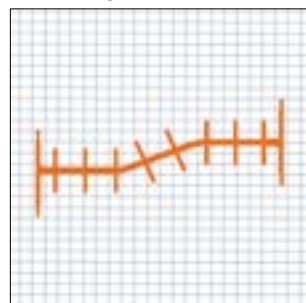

Overhead Ladders

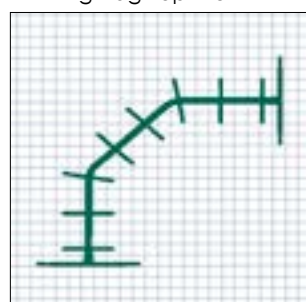

Gives children a great upper-body workout by playing!

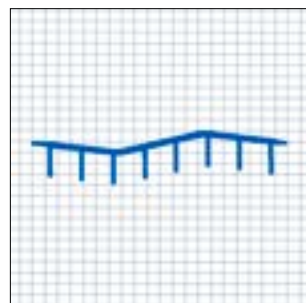

Straight Top View

Zig-Zag Top View

90° Top View

Wavy Slide View

Above you will see the four configuration options available for all overhead ladders—excluding Track Ride. Please refer to these when planning your installation.

Overhead Ladders

Note: Posts not included on any of the items below

3 Wheel Swinger TCW02106—These wheels turn as the child swings across requiring dexterity and determination to master the event

Track Ride 70009008—Children glide easily along this high quality track ride. Aluminum housing protects track mechanism to ensure years of fun. Heavy duty handle with one-of-a-kind self-braking system that keeps the handle from being thrown end-to-end. Length of 10'—straight only.

Chin Bar 70022001—multi-use

Parallel Bar—Classic hand-over-hand bar, appropriate for children of all ages. The double version is an even greater challenge. Available in straight configuration only.

70009006	Single Bar
70009002	Double Bar

Straight Rung—Playground essential

70009407	Zig-Zag	70009007	Straight
70009107	90°	70009307	Wavy

Arch Rung

70009001	Straight
70009301	Wavy

Tri-Rung—Ages 5-12. Big handles for easy gripping

70009010	Straight
70009310	Wavy
70009110	90°
70009410	Zig-Zag

Loop Rung

70009005	Straight
70009015	90°

Trapeze Rung—Sturdy polished aluminum handles come with hangers. Each ring is attached to a single chain link welded to the frame with clevis fasteners for increased safety

70009009	Straight
70009109	90°
70009309	Wavy
70009409	Zig-Zag

Timbers

30" Timber Stake LTH

24" Timber Stake BLTH

4' Reversible Landscape Timber RLT—Uses BLTH timber stake

Field Stone textured top and side

River Stone textured top and side

Black Timber—12" high. Uses LTH hardware. Available in a variety of colors for additional expense

4' LT-4

6' LT-6

4' long 8" tall LT 4-8
—Uses LTH Timber Stake

ADA Ramp RMP02212—Easy access to play areas for children with special needs. Dimensions: track 35" w x 140" l x 1" h. Requires six LTH hardware stakes. Custom-made to fit Child Works' LT-4 and LT-6 landscape timbers. This versatile ramp also works as a segway from one play area to another

The Fitness Course is designed to provide levels of challenge for older children and adults. Available signage explains the various events and gives suggestions for physical programs and warm-up/cool-down routines. The events can be laid out as shown or configured to fit your area. The same high quality materials used in Playland's playground equipment are used to build the Fitness Course—providing the same strength and durability! Choose one color for posts and another for metals.

Splash™ CKS-1—single 10' long 32" wide. Weight capacity 250 lbs. aft storage with bungees. Molded handle for one person carrying. 3 scupper drainage holes

Accessories available on special request

Shade

Protect your investment and your playground's visitors. Shade can help keep your equipment cool to the touch and keep sun damage from jeopardizing your investment. Paint and colored plastic, as well as sensitive skin, are safe under the shade! Automobiles, too, can be kept cooler and stay out of the paint-fading UV rays of the sun, not to mention the protection from the threat of cancer from harmful prolonged sun exposure!

Great for:

- * Water parks
- * Pool decks
- * Playgrounds
- * Bleachers
- * Dugouts
- * Concessions
- * Lounge areas

We have you covered with our versatile line of shades. Call your dealer now to find out what type of shade best fits your specific needs. Our square and rectangular shades are efficient and economical. They also come in a wide range of sizes. We also offer umbrellas and sails. Our shades are suited to any sort of outdoor activity or playground. Our structural umbrellas are engineered to withstand short gusts of wind up to 75 mph when opened and 93 mph when retracted. They have removable handles with stop to raise and lower the canopy. Our cantilever shades provide the coverage you need and the space you want. These shades don't have a center post, leaving you with more room to relax. They are able to pivot 360°. The optional pivoting base is perfect for utilizing the shade at varying times of the day for covering more than one area. These shades are 100% UV rated and waterproof. They are also available in a wide range of prices to fit all budgets. We also provide custom structured shades.

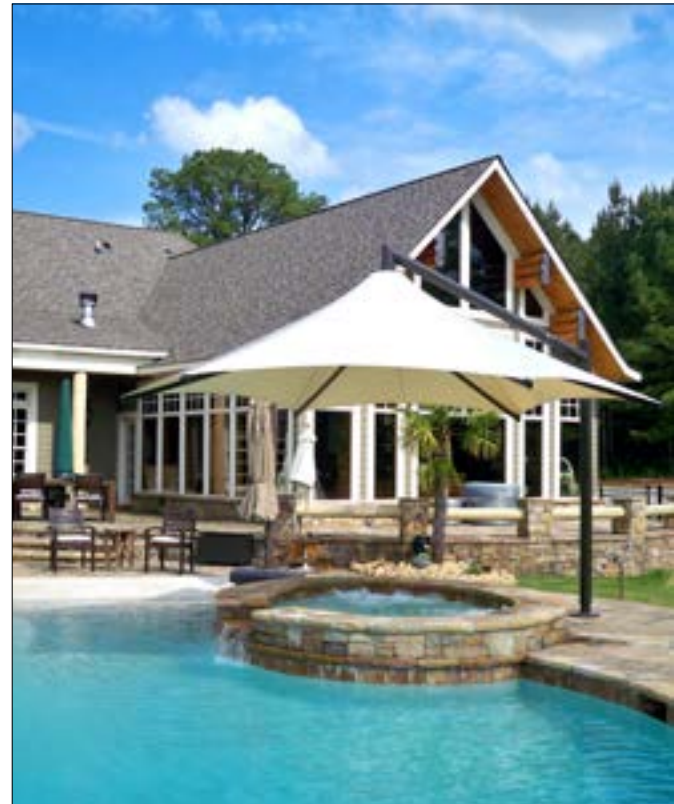

MADE IN

THE USA

Benefits include:

- * Up to 99% protection from dangerous UV rays and painful sunburns, which increase skin cancer risk
- * Protects your play equipment investment
- * Structures stay cooler to the touch
- * Our fabrics provide 80% water repellency
- * Our patent pending Glide Elbow enables you to quickly remove and reinstall canopies in case of severe weather

Shade Fabric Colors

Color your playground! Choosing the right color for your playground is such an important step. Do you want your playground to blend in with its natural surroundings or stand out and be noticed? Whatever you prefer, we have the perfect color combination for you. With 21 plastic colors and 20 metal colors available, and 12 shade colors, we're sure you'll find just what you are looking for! Weather-Shield™ is an optional extra step in our normal coating process, which offers enhanced corrosion protection to your playground. The coating Process begins with our standard triple-coated, corrosion-resistant Allied steel tubing. Next, a layer of an environmentally-friendly epoxy powder coating—specially formulated to greatly improve corrosion protection, chemical resistance, and edge coverage—is applied. Finally we apply our polyester powder coating finish color, which offers superior protection against UV exposure. Perfect for harsh weather conditions or coastal locations, our Weather-Shield™ application processes will greatly lengthen the life of your playground investment. Note: There is an up-charge of 5% on retail price for Weather-Shield™.

Metals

Note: Due to printing process, colors may vary from these images. Please contact your dealer for color samples.

Warranty

Terms & Conditions

Terms: Net 30 from date of invoice, on approved accounts only. All terms are subject to change.

Freight: FOB Carrollton, GA 30117

Warranty: We warranty to the purchaser of the plastic component(S) and Child Works® component(S) that it will be free from defects in material and workmanship, not including wear and tear, for one (1) year from the date of the shipment. If the plastic component(S) or Child Works® component(S) fails to meet this warranty, we may either repair or replace it, at our discretion, with freight paid by the purchaser. Consequential damages are not covered and our liability is limited to the defective part. Any failure will not be cause for extending the duration of this warranty. Our warranty obligations do not apply to any plastic component(S) or Child Works® component(S) which: (1) is not properly installed, used maintained, repaired or is modified other than pursuant to our instructions of approval; (2) has been exposed to excessive wear and tear or vandalism, or (3) has defects in or nonconformity of the plastic component(S) and Child Works® component(S), whether the claim is in contract, warranty, tort (including negligence), or otherwise. NO IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WILL APPLY.

Warning: All part numbers ending in "R" are for residential and home use only in a private backyard. They may not be used in commercial or public settings.

All parts are for use by children older than 2 years and younger than 13 years, under 125 Lbs. Parts may not be used by adults.

Returns: Any return must have proper authorization in advance. All returns are subject to a 25% restocking charge.

Shipments: All orders are checked prior to shipment. Title passed to purchaser upon acceptance by shipper or carrier. Any damage during shipping is the responsibility of the carrier, and all claims of loss or damage during shipping must be filed with the carrier. Goods must be inspected upon receipt and damage and/or loss must be noted on the freight bill at the time of delivery.

Minimum Orders: All orders less than \$25.00 will be subject to a \$10.00 surcharge.

ALL PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.
