PW Athletic...Quality manufacturing since 1919

PW Athletic Mfg. Co. warrants its products to be free from defect in materials or workmanship during normal use and installation provided our published specification installation instructions are followed and approved parts are used.

This warranty is valid only if the product has been subjected to normal use for the purpose for which it was designed; has not been subjected to vandalism, misuse, neglect, or accident; has not been subjected to addition or substitution of parts; and has not been modified or altered.

This warranty does not cover cosmetic items, for example; scratches, dents, marring, fading, discoloring, weathering, paint or decorations, normal wear and tear, or damage due to cracking and warping.

The warranty period begins on the date of invoice. It does not cover the cost of removal and/or installation warranted of the replaced product. All claims must be accompanied by a copy of the original invoice. PW Athletic must be notified before any corrective action is taken and reserves the right to determine whether claims will be fulfilled by replacement or by other means. Replacement parts are guaranteed for the remainder of the original warranty period.

All others are 50% down, with balance required before shipment. A monthly finance charge of 1-1/2% per month will apply to all past due accounts. We accept Mastercard and Visa.

Please check your shipment carefully at time of delivery for possible damage or shortages. Although we take extra care to ensure your order is packed complete, items may become lost in transit. Check the Bill of Lading and Packing List at the time of delivery by the freight company for accuracy and/or possible shipping damage, and please call your local PW dealer immediately to assist with any questions or subsequent freight claims.

During the year, our engineering team finds new ways to improve our product designs. Rather than make our customers wait until year's end and a new catalog to make these improvements, we do reserve the right to change product specifications without notice.

Orders for custom or modified equipment require 50% down and cannot be cancelled. Returns on any product will need to be authorized by PW and assigned an RGA number prior to shipment. A 20% restocking charge will apply on returned goods.
