WARRANTY

We put the Value in Play!

Our mission is to provide fun equipment of exceptional **safety, durability and value** on the playground and in the neighborhood.

SportsPlay™ Equipment Inc., is proud to offer IPEMA certified products.

In the interest of public playground safety, IPEMA provides a third party certification service whereby a designated independent laboratory validates a manufacturer's certification of conformance to the ASTM F-1487 (excluding section 10 and 12.6.1), Standard Consumer Safety Performance Specification for Public Use, standard. The use of this seal signifies that SportsPlay Equipment has received written validation from the independent laboratory that the product associated with the use of this seal conforms with the requirements of ASTM F-1487. A list of validated products may be found at the IPEMA's web site: www.ipema.org

SportsPlay™ Equipment Inc., is a member in good standing of IPEMA the international Play Equipment Manufacturers Association. IPEMA is a member driven international trade organization, which represents and promotes an open market for manufacturers of play equipment and surfacing.

SportsPlay Equipment offers factory certified installation service.

Ask your SportsPlay Distributor for an installation quote on your next playground project.

Mushroom Kottage

Children ages 9 months to 2 years can explore this mushroom shaped playhouse. The Mushroom Kottage features many manipulative play events that encourage and develop gross motor skills, perceptual-cognitive and linguistic-social skills.

Inside, young explorers can find shapes that encourage tactile development and identification. Outside, the side bench helps build standing skills.

Indoor or outdoor use

Pawprints & turtles for tactile exploration

Inside Mirror

Easy to install & clean.

TOT TOWN® Mushroom Kottage

301-145 Partially Assembled
301-145A Fully Assembled

.....
Ages: 9 months-2 years
Size: 56" W x 8' L x 5' H
Use Zone: 20' x 16' 6"
Weight: 270 lbs.
.....

Fun Centers

Our Fun Centers are specially designed to meet developmental and creative needs of younger children. Easy to install indoor or outdoor. Ideal for child care centers and preschools.

Easy Installation

Assemble galvanized frame, then slide sleeves over the vertical supports.

Insert optional lower panels.

Slide deck over the sleeves on the vertical support.

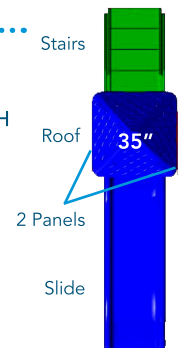

Slide onto deck panels over the sleeves on the vertical supports. Slides attach in the same manner as the deck panel.

TOT TOWN® Castle Fun Center 1

902-863

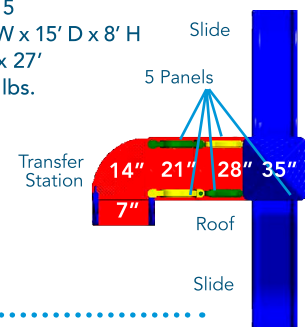

Ages: 2-5 years
Accommodates: 6-8
Size: 3' W x 12' D x 8' H
Use Zone: 15' x 24'
Weight: 435 lbs.

TOT TOWN® Castle Fun Center 2

902-864

Ages: 2-5 years
Accommodates: 12-15
Size: 10' W x 15' D x 8' H
Use Zone: 22' x 27'
Weight: 965 lbs.

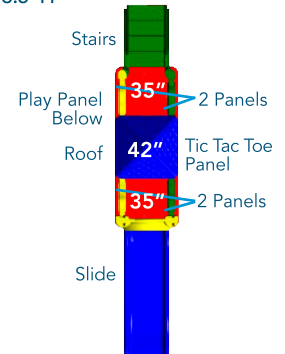

TOT TOWN® Castle Fun Center 3

902-865

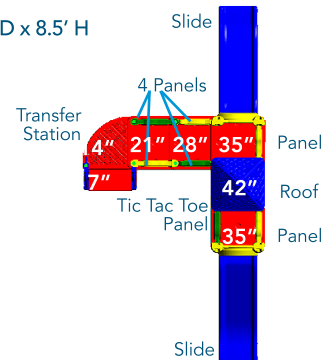

Ages: 2-5 years
Accommodates: 12-15
Size: 3' W x 16.5' D x 8.5' H
Use Zone: 15' x 28.5'
Weight: 607 lbs.

TOT TOWN® Castle Fun Center 4

902-866

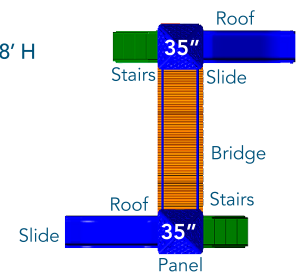

Ages: 2-5 years
Accommodates: 15-20
Size: 10' W x 19.5' D x 8.5' H
Use Zone: 22' x 31.5'
Weight: 955 lbs.

TOT TOWN® Castle Fun Center 5

902-867

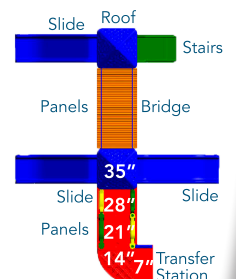

Ages: 2-5 years
Accommodates: 15-20
Size: 12' W x 15' D x 8' H
Use Zone: 24' x 27'
Weight: 1050 lbs.

TOT TOWN® Castle Fun Center 6

902-868

Ages: 2-5 years
Accommodates: 20-25
Size: 19' W x 15' D x 8' H
Use Zone: 31' x 27'
Weight: 1,320 lbs.

Explorer Center

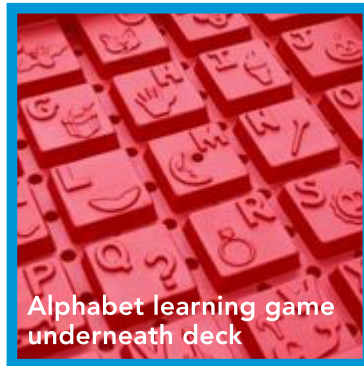

Explorer Center
901-801 (3.5" steel posts)
.....
Ages: 2-5 years
Capacity: 20 children
Size: 20' x 19'
Use Zone: 32' x 31'
Weight: 1,455 lbs

• Dinosaur fossil climber

There's lots of hidden treasures to find in, underneath, and throughout the Explorer Center. This playground offers 2- 5 year olds exciting adventures and stimulating play. It's packed with play value for early childhood development.

Quick Ship Units

Need quality playground equipment shipped in one week? Our **Quick Ship Program** offers 10 exciting playgrounds (in the 3.5" post design only). Choose between natural or primary schemes only.

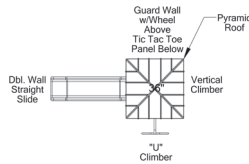

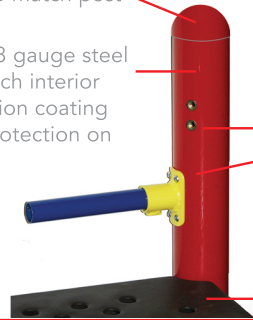

Factory installed aluminum cap, powder coated to match post

3.5" & 5" O.D. 13 gauge steel post with a zinc rich interior corrosion protection coating and triple coat protection on the exterior.

Factory installed threaded rivet nuts for secure desk mounting.

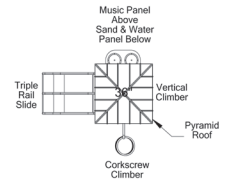

Direct bolt component bracket with rubber gasket and 4 self-tapping tamper resistant torx screws.

Decks are 12 gauge punched steel with thermo-plastic coating.

FITNESS EQUIPMENT

Keep your community healthy with a SportsPlay Fitness Course!

Child obesity continues to increase at an alarming rate. Currently, over 32% of children ages 6 to 11 years are over weight and 17% are obese. Overweight children face many health concerns, including damage to growing bones and cartilage, Type 2 Diabetes and heart disease. SportsPlay offers a wide range of Fitness Course activities to stimulate and challenge children to run, climb, jump, pull and push. Fitness Course activities are economical and provide unlimited configuration possibilities. Start small and add on later or create a large fitness challenge course to help your children stay healthy and fit. All fitness equipment is recommended **for ages five years to adult.**

Quad Rope Climber

511-140

Size: 8' x 8' x 12'
 Use Zone: 20' x 20'
 Weight: 225lbs.

SportsPlay's Fitness Courses are available in galvanized steel or choose one of the powder coated colors shown. There is a charge for each painted Fitness Course Product (See page 25 for color options)

#11 Sit Up Station

Lie on back with feet 12 inches apart. Bend knees to 90 degree angle and interlock fingers behind head to support neck.

Raise and lower the upper body for multiple repetitions

Repeat motion as desired to improve abdominal strength.

You should not start and exercise program without the consent of a physician

Instructional Signs

511-199 50 lbs.

Available for all fitness station products.

SportsPlay fitness products are designed to be interchanged. Let a SportsPlay distributor help you design a fitness course that is right for your space and budget.

Step 1 Determine the size of your fitness space

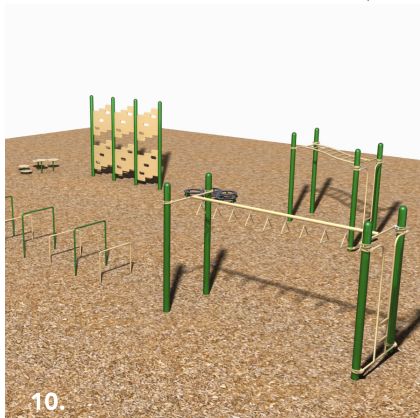

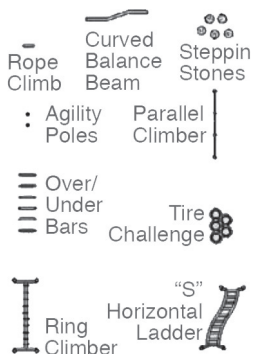

Step 2 Select the events that provide the desired exercise and fitness challenges

Step 3 Select the color that is right for your environment.. Selecting galvanized (natural steel) will provide value by lowering your costs

Step 4 Select instructional signage (optional) to complete your fitness course.

* Nine individual stations shown above, 3.5" posts.

 Regulation size 6' W x 6' H x 7' D.
 Replacement Nets
 562-934 Lacrosse Goal Net 15 lbs.
 3 mil. braided nylon.

SITE AMENITIES

SportsPlay Thermoplastic Site Amenities

SportsPlay has eliminated the use of PVC in all of our steel coatings. Thermoplastic coating offers many benefits over Plastisol:

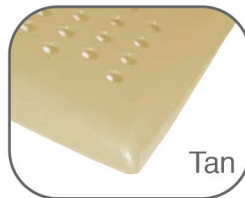

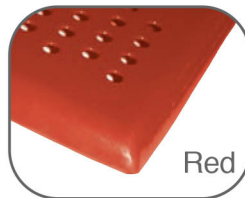

- Superior adhesions, SportsPlay thermoplastic coating is sprayed directly onto the metal where it hardens and bonds to the surface smoothly.
- Better UV protection and color retention. Thermoplastic will not discolor and fade as easily as Plastisol does.
- Abrasion resistance and weatherability. The bond between the plastic and the metal provides less chance of damage. If a product does become scratched or chipped, it can be easily remolded and repaired on-site with a heat gun or hand torch.
- SportsPlay Thermoplastic coating contains no harmful PVC's. Thermoplastic is derived from natural gases and releases only organic elements into the environment.

SHADE STRUCTURES

SportsPlay™ Shade Structures are low maintenance, overhead canopies that are an ideal, cost effective shade solution. The fabric is knitted, high density polyethylene, which is UV stabilized and lock stitched, which means it will not fade, mold or rot. If torn, the lock stitch will prevent the canopy from unraveling. While providing shade play areas, our canopies help block out up to 95% of UV rays.

- Guaranteed for at least eight years against UV degradation
- Extends the life of playground equipment
- Endorsed by the American Cancer Association
- Extremely durable
- Enhances the overall appearance of play areas

SPORTSPRAY Shade Structure nets have tiny holes that allow hot air to escape through the roof of the structure. Even with these holes, the standard netting has a high "water run off rate" of up to 93% which tends to keep the area underneath the shade structure partially dry.

Stand Alone Shade Structures

901-091	12' x 20'	442 lbs.
901-092	18' x 20'	490 lbs.

Did You Know?

Legislation is now being considered in many states in the USA making it compulsory to provide shade for children's outdoor play areas.

TERMS & CONDITIONS

MINIMUM ORDER: All orders must exceed \$30.00 net in merchandise. Orders for less than \$30.00 will be subject to a \$10.00 handling charge.

PRICES: Prices exclude shipping & handling. Prices are subject to change without notice.

RECEIPT OF SHIPMENT/CUSTOMER RESPONSIBILITY: Before signing for your order, check to see that you are receiving the same number of cartons, bundles, welded frames, etc., indicated on your receipt. Note any shortages or visible damage on your receipt and have the driver note these also. Damage that is found after you unpack the shipment (concealed damage) must be reported to SportsPlay Customer Service immediately. Please closely inspect your shipment! Most freight companies allow 10 days from receipt to report concealed damage. NOTE: If you discover damage of any kind, DO NOT DESTROY ANY ORIGINAL SHIPPING CARTONS. All SportsPlay merchandise is shipped unassembled unless otherwise specified in the catalog.

TAXES: Added to invoice on shipments in Missouri unless a tax-exempt certificate is provided.

TERMS: all invoices are due and payable 30 days from the invoice date. SportsPlay also accepts Visa and MasterCard. We do not ship COD.

FREIGHT CLAIMS: Customers, upon delivery, are expected to check products against packing list and sign the order short otherwise claims will not be honored. SportsPlay will not honor freight claims on concealed damage 14 days past delivery date.

RETURNS AND EXCHANGES: Returns will not be accepted without prior written authorization from SportsPlay. Restocking charges and all freight charges may apply. Absolutely no returns will be authorized on equipment which has been installed or equipment which has been in storage for more than six months.

CANCELLATION OF ORDERS: Orders cancelled with SportsPlay after any customer work has been done or after they have been loaded on the trailer are subject to a 10% cancellation fee.

INSTALLATION: All products delivered knocked down (not assembled) unless otherwise noted. Detailed assembly instructions and a packing list are included in the hardware bag(s) of your shipment and should be carefully checked against the order immediately.

CATALOG ERRORS & PRODUCT CHANGES: Due to the possibility of typographical errors in this catalog, as well as fluctuations in raw material costs, prices and descriptions are subject to change without notice. SportsPlay reserves the right to change product specifications or colors at any time without incurring obligations. Pictures may not reflect changes made to meet new CPSC guidelines.

SHIPPING & HANDLING CHARGES: All shipments are F.O.B. origin, and shipping and handling is not included in the price. Freight charges include normal tail gate delivery within the continental United States. (Additional charges will be added for shipments out of the continental U.S.) "Inside Delivery" requests must be specified on the order. There are additional charges for "Inside Delivery," "Residential" and "Call Before Delivery." Please call for an estimate on these charges.

Lifetime* Warranty is offered on the following:

- Aluminum Domes • Aluminum Rings • Spring Rider Aluminum Ponies • Cast Aluminum Backboards

Metal Modular Units/Components:

Limited Lifetime* Warranty • Steel Support posts • Aluminum clamps | **Limited 15-year Warranty** • Main support materials • Decks

Limited 10-year Warranty • Plastic components | **Limited 3-year Warranty** • Fun Center polyethylene and plastic components

Limited 1-year Warranty • All products not listed above.

*Lifetime warranty pertains to the life of the equipment. The LIFETIME warranty for Aluminum Fan Backboards only applies to aluminum fan backboards in which the goal is mounted directly to the post as recommended by the manufacturer and installed per manufacturers instructions. The warranty will be voided for all backboards not installed per these requirements. Use of any other attachment method will void all warranties written, expressed or implied. If any of these products are damaged under normal use conditions, return the broken parts to Sports Play Equipment, Inc. at their St. Louis, Missouri plant. SportsPlay will send you a brand-new replacement part. You pay only the return and outbound freight. Repair/Replacement orders for warranted products will be for the component part only. (Not the entire product.) Contact your SportsPlay™ distributor for a return authorization.

Warranties apply to structural failure caused by defective materials or defective workmanship, and with normal use and proper maintenance and installation. Damages from misuse, vandalism, lack of maintenance, improper installation, unauthorized repairs or modifications, acts of God or acts beyond SportsPlay's control, or cosmetic issues such as scratches, dents or fading of colors, are not covered by the warranty, nor does the warranty cover the cost of freight or labor for removal and installation of repaired or replacement parts. Warranties are limited to repair or replacement of defective parts. A repaired or replacement part is covered only for the original warranty period. All warranties begin on the delivery date of the goods. Warranties are non-transferable and only apply to end users who purchase new products directly from SportsPlay or an authorized SportsPlay distributor for personal or business use and not for purpose of re-distribution or re-sale.

NO OTHER WARRANTIES APPLY. SPORTSPRAY EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE ABOVE WARRANTIES EXCLUDE ANY LIABILITY OTHER THAN AS EXPRESSLY STATED INCLUDING, BUT NOT LIMITED TO, ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES.
