The unique fiberglass support rib construction ensures strength, resilience, and durability and holds up to the harshest weather conditions—intense sunlight, high winds, salt air, and driving rain—and will not decay or lose its shape. Our flexible fiberglass ribs absorb wind gusts without breaking and last four to five times longer than traditional steel or wood ribbed umbrellas.

- Two piece pole construction
- (6) 3/8" diameter fiberglass ribs
- Each umbrella weighs 15 lbs (plus packaging)
- Molded nylon joints and end tips
- .065" thick aluminum pole

WARRANTY & TERMS

5-YEAR LIMITED WARRANTY

5-Year Limited Warranty on Thermoplastic coated elements. UltraSite® guarantees all items for one full year to be free of defects in workmanship or materials when installed and maintained properly. We agree to repair or replace any items determined to be defective. Items specifically not covered by this warranty include vandalism, man made or natural disasters, lack of maintenance, normal weathering or wear, and tear due to public abuse.

ORDER INFORMATION

When ordering please include a brief description of all items. Be sure to include colors for UltraCoat® and powder coated surfaces. To assist UltraSite® in entering orders properly, please fax, mail, or e-mail orders on your standard purchase order form. Quotes are good for 30 days.

GSA CONTRACT

GSA pricing is available on several items. Contact our sales department for specific information at 1-800-458-5872.

SPECIFICATIONS

Due to UltraSite's continuous product improvement, we reserve the right to change specifications when necessary without notice.

PRICING

UltraSite® strives to keep pricing as low as possible. However, should we encounter increases in our costs that are too large to absorb, we reserve the right to increase prices without notice.

TERMS

Approved accounts net 30 days. Initial order requires payment in full before shipment. A finance charge of 1-1/2% per month will be applied to all delinquent accounts. We accept:

FREIGHT CHARGES

Terms of sale are F.O.B. factory. UltraSite® will prepay and add the freight to the invoice if requested to do so. All weights are approximate.

DAMAGES

Damages or loss in transit is the responsibility of the carrier, whether visible or concealed. It is the responsibility of the recipient to assure that the order is received complete. Before signing the delivery receipt, inspect the shipment immediately and completely. Note any damages or shortages on the bill of lading. Damage reports must be filed within 10 days. UltraSite® is NOT responsible for damages or loss in transit. Title to all goods passes to the customer at the time of shipment. UltraSite® will assist in filing claims if the freight arrangements were made by UltraSite® at your request.

CANCELLATIONS AND RETURNS

Cancellations are only accepted with pre-approval from UltraSite®. No merchandise shall be returned without a Return Goods Authorization number which is issued by customer service. Any authorized merchandise must be carefully packed and received in saleable condition. A restocking charge of up to 25% will be applied to all returned goods when the error is not the fault of UltraSite®. All returns must be shipped freight prepaid.

NATIONWIDE INSTALLATION

We offer affordable delivery and installation pricing in the continental USA. Any zip code, anytime!
